Aero Charter promotes Barrett Anderson to Director of Operations

(ST. LOUIS/July, 2012) Aero Charter, the charter, FBO and aircraft support company based at the Spirit of St. Louis Airport, Chesterfield, Mo. (KSUS), promoted Barrett Anderson to director of operations.

Anderson joined Aero Charter in the spring of last year as a charter pilot, his first position at the charter company. He received his pilot's license in high school and has been flying ever since. He earned his Bachelor's Degree from The University of Central Missouri and previously worked for a charter company based in Kansas City, Mo. "Barrett quickly became the obvious choice to be our new director of operations," said John Morgenthaler Jr., president of Aero Charter. "We knew when he came that his flying experience and management skills were quite impressive. His time at Aero Charter has shown that he is the perfect fit for this position."
